

Dear Friends of the Denison Little League,

It All Starts with You!

Denison Little League has been a charter member of Little League since 1952, over 50 years. Our baseball program allows over 300 boys and girls to participate in an organized sport.

Denison Little League is a non-profit organization made up of local volunteers dedicated to building character, courage and loyalty to local youth by providing a fun, safe and competitive baseball program. Fundraising accounts for a majority of the revenue needed to pay for equipment, field maintenance, improvements and operating costs. Without contributions from our community, this league could not endure. Your contribution will help our program continue to thrive and provide opportunities for our children.
